

Plein Air Simplified Workshop with Nancy Nowak

This workshop is part of the 2nd Annual Sautee Plein Air Painting Experience hosted by Skylake Galleries and the Sautee Nacoochee Cultural Center

NANCY NOWAK

PSA, IAPS MC, AIS

Learn many of the tips and techniques of composing and designing your painting on location. Working with shapes, values, edges, and color, Nancy will help guide you to edit, simplify, and interpret the scene to tell a story and create that emotional response in the viewer that all artists seek. By working quickly and efficiently, learn how not to get bogged down by detail and stay loose. If you are new to plein air painting or want to take your skills to the next level, this class is geared towards you.

- Signature Member of Pastel Society of America
- Member of Excellence - The Southeastern Pastel Society

Nancy's demos will include discussion on materials, composition, value studies, color temperatures and color harmony, importance of simplifying, massing, underpainting, and discussion on what makes a successful painting.

- Signature Member of The American Impressionist Society
- IAPS Master Circle Member
