## WELCOME BACK!

**BY: JESSI REED, YOUTH EDUCATION DIRECTOR**

We are excited about welcoming your families back to our campus and offering these various programs for your children this Fall! We had a fun and successful two weeks Summer Arts Camp in July and are moving forward as safely as possible to offer programs for your children.

As a community center, our first priority is the safety of students, families, and visitors. We are continuing to follow CDC and OSHA Guidelines defined by the State of Georgia in all of our programs offered by the Sautee Nacoochee Center.

Some of the precautions we are taking are small class sizes limited to 12 students in each class, temperature checks for students and teachers, social distancing and face coverings encouraged, and frequent hand washing and hand sanitizing. Our complete list of guidelines and recommendations for Youth Programs can be found on our website at [snca.org](http://snca.org).

We hope to continue to create a welcoming, safe, creative, and expressive environment for the youth and families in our community! We hope to see you soon on campus!

# TUTORING IN SAUTEE

Learning "For Real" with Elizabeth Jaskolski, a certified teacher of elementary & middle school students, will be available for tutoring at the Sautee Nacoochee Cultural Center.

Due to Covid-19 & subsequent absence of direct in-school teaching, most students will have many educational gaps, making individual assessment necessary to identify those gaps. Thereafter, small groups of 4 to 6 students with similar needs will be formed to successfully remediate & bring students back to grade level.

Call Elizabeth at 706-514-0301 or 706-212-8585 for more information & to schedule an appointment for your child's assessment.

**"I think of a child's mind as a blank book. During the first years of life, much will be written on the pages. The quality of that writing will affect the child's life profoundly."**
